

Parent Voice Group Meeting Agreement

Haslington Primary Academy strives to ensure that we provide the very best education for the children. Members of staff work hard to work with parents and carers to meet the needs of all children. We know how important parental views are and the positive impact these can have on the school ethos, management, progress and attainment of all pupils. These partnerships are so important and we will endeavour to improve our practice where possible to improve communication with parents.

As a member of the parent voice group, you will have the opportunity to find out what is happening in school and feel that your views are valued. To be a member of the parent voice group, you must agree to the Terms of Reference.

I have read the Terms of Reference and I agree to follow them. I know how important it is to respect others and follow the guidance to ensure that the meetings are purposeful and make everyone feel involved and valued. Please sign below:
