

Haslington Primary Academy Positive Behaviour Approach 2023

Traffic Light System

- If children stay on green all day they will receive 2 smileys.
- Additional smileys can be earned each day.
- If a child moves to down the traffic lights (Amber or Red), they could earn 1 smiley if appropriate and work their way back up the traffic lights to green.
- Once the child has completed the smiley chart for that term, they will then move onto the party medal!
- If they are on the party medal and their behaviour drastically dips, they can move back 10 marks on the behaviour chart and come off the party medal. This would be after adequate warning and parents, carers and guardians would be informed.
- Children who are on the party medal go to the end of term party!

Traffic Light System

- At the start of each term every pupil starts at 0 on that term's chart (Bronze, Silver and Gold).
- Each party will take place in the last week of each term in the afternoon.
- Children not attending the party will be supervised by a member of staff and will be provided with some work to complete.

Respect Star

- At the end of the week a pupil in the class will be given a Star of The Week certificate by the class teacher for working above and beyond, displaying RESPECT. The reason for receiving the certificate will be linked to the Respect criteria and the reason for receiving it will be explained to the rest of the class. This will mean that the pupil will automatically move to the Respect Star. Teachers can also place a pupil on the Respect Star for outstanding contributions towards the Respect Criteria.
- Children can also reach the Respect Star if they receive a Respect certificate from the Principal of the Academy.

Bronze, Silver and Gold Parties

- Attendance will continue to be monitored. If a pupil has had to self-isolate, this will be taken into account.
- If children have been on a behaviour report, they may not be allowed to attend the party for that term.
- The cut off for Bronze, Silver or Gold Parties will be the Friday before the last week of term.
- The party will take place the following week.
- If children join Haslington Primary Academy after September, start them at an average child's position.

Interim Golden Time Reward

At the end of each half term, each child can attend an interim Golden Time Reward for being on track with their smiley stamps.

If a child is at risk of not attending the Golden Time Reward due to a shortfall in smileys, class teachers will use this opportunity to discuss this matter with parents, carers or guardians so that together, we can support children in getting back on track and achieve the required number of stamps to attend the end of term parties.

If a child/children has not earned enough smileys for the Golden Time Reward, teachers will provide work for the child/children to complete and this will give them the opportunity to reflect on their behaviour.

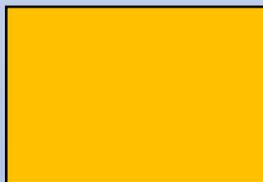

Bronze, Silver and Gold Parties

In the Autumn Term, children will need to earn 130 smileys in order to attend the Bronze Party.

In the Spring Term, the children will need to earn 130 smileys in order to attend the Silver Party.

In Summer Term, the children will need to earn 140 smileys in order to attend the Gold Party.

When to award additional smileys?

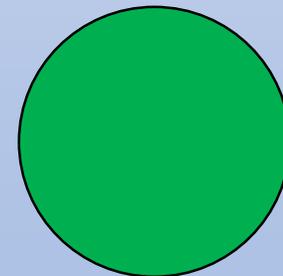

- A child can earn 2 if they stay on green all day or 1 if they have moved to red/amber and worked their way back to green.
- 1 smiley for completing weekly maths homework
- 1 smiley if they read 5 times a week
- 1 smiley if they complete 2 reading journal activities in a week
- 1 smiley for earning a place on the Respect Star
- Smileys for completing holiday homework and projects
- Children can earn additional smileys during the day
- Midday assistants can feedback excellent behaviour to the class teacher at the end of lunchtime.

Holiday Homework and Projects

- No Christmas Homework
- Easter Maths and English
- Half Term Projects based upon current topics
 - ❖ Up to 3 smileys dependent on the standard.
- Summer Term Project
 - ❖ 3 smileys for maths challenge
 - ❖ 3 smileys for reading challenge
 - ❖ 3 smileys for writing challenge
 - ❖ 10 points for completing all 3

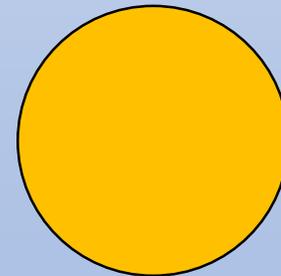

How can a child stay **GREEN**?

- To follow instructions
- To complete classroom work to a high standard
- To bring reading journal/spelling log and book and maths homework book in
- To follow the Golden Rules

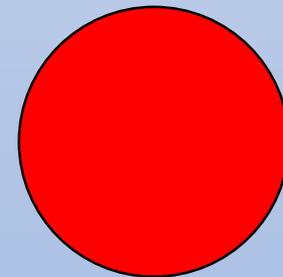

Why would a child be **AMBER**?

- Not following instructions
- Not completing classroom work to a high standard
- Not bringing in reading journal/spelling log and book and maths homework book after one reminder each week
- Not following the Golden Rules

Why would a child be **RED**?

- Physical incidents
- Spitting
- Verbal incidents, for example: swearing, shouting at adults/children
- Refusal to work or follow instructions after warnings or after being moved to amber
- Vandalising school equipment
- Bullying
- Theft

In School

- Teachers will revisit the Behaviour Policy during PSHRE lessons and at the beginning of each half term.
- The criteria of being on Green, Amber or Red, is displayed in the classroom as a point of reference for the children.
- Any behavioural issues will be articulated directly to parents, carers and guardians or by a phone call.
- Reasonable allowances will be made for children with additional needs.
- Children will always have the opportunity to go back to amber/green for improved behaviour.
